Product description Refill for electronic cigarettes in a single package, e-liquid  
 volume: 30 ml, nicotine concentration: 50 mg/ml

Risk type Chemical

Risk description The product contains an excessive amount of liquid (declared  
 value: 30 ml) and an excessive concentration of nicotine (50  
 mg/ml). This can lead to accidental consumption of a high  
 dose of nicotine. Nicotine is acutely toxic and may endanger  
 the safety of the user, especially if the product comes into  
 contact with the skin or is ingested.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product does not comply with the requirements of the Tobacco Products Directive.

Country of origin People's Republic of China

Measures ordered by public authorities Withdrawal of the product from the market  
 Retailer
